# SURFACE REVIVER

Brightens up concrete, stone paths, patios, driveways

## PRODUCT DESCRIPTION

- A high performance cleaner designed to remove organic and microbiological contaminants from porous surfaces such as stone, cement, tarmac etc
- Suitable for driveways, patios, paths, walls, walkways, roofs, decking etc.
- Ideal to brighten up concrete paths and remove black spot, red algae growth and leaf stains from contaminated surfaces.
- Available as a liquid, designed to clean, disinfect and revive contaminated surfaces.
- The product does not contain solvents, acids or caustic soda.
- Cleans and removes contaminants from:
  - Walls
  - Floors
  - Monuments
  - Paths
  - Roofs
  - Boats
  - Decking
  - Block paving
  - Painted walls
  - Ponds ( remove fish prior to cleaning)

## APPLICATION

*Always test apply on a small hidden portion of the substrate before applying*

- Surface Reviver is supplied ready to use. However on very light soiling ie general grime, the product can be diluted 1 part water to 1 part product.
- Apply neat product to a slightly damp surface with a brush or garden sprayer.
- Apply the product generously in one even coat.
- Leave for 20-30 minutes.(Longer may be required in cold weather).
- To brighten paths and walls leave for longer before removing (up to 8 hours).
- Rinse off with a garden hose.

## COVERAGE

- Heavy soiling = 3m<sup>2</sup> per 1L.
- Light soiling =5m<sup>2</sup> per 1L.
- The more porous the surface the less the coverage will be.
- A cleaned surface(eg. rinsed with a garden hose) should be sealed with PROTECTiT Paving, Patio & Driveway Protection to give easier clean surfaces in the future.

## KEY FEATURES

- Removes organic and microbiological contaminants from stone, tarmac, concrete
- Brightens up concrete or stone paths, patios, driveways, walls
- Suitable for rendered and painted surfaces
- V and painted surfaces
- Does not contain solvents, acids or caustic soda
- Does not alter the colour of the substrate.

## TECHNICAL DATA

- Odour: characteristic
- PH: <11
- Soluble in water: soluble
- s.g: 1.09
- Colour: off white
- VOC: 0

## RECOMMENDATIONS:

- Do not apply on metallic or impermeable materials. Do not allow product to come into contact with plants, shrubs or grass. Do not apply during rain, frost or when surface and air temp is <5°C & >30°C.
- Do not dilute or mix with any other product.
- Never proceed without carrying out a test patch to ensure surface compatibility

## STORAGE

Keep in a dry place (between 5°C and 30°C).

Storage: 24 months following the production date when kept in the original unopened container.

Immediately after you have finished clean all tools and equipment with water.

## HEALTH AND SAFETY

- **Respiratory Protection:** Under normal conditions of use, where adequate ventilation is available, no special respiratory protection equipment is needed.
- **Hand Protection:** Wear PVC gloves.
- **Skin Protection:** Wear protective clothing over exposed areas of skin.
- **Eye Protection:** Wear safety goggles.
- **If Swallowed:** Do not induce vomiting. Contact a doctor or a specialist.

## HAZARDS: IRRITANT:

- Protective clothing, gloves and safety goggles should be used when applying product.
- Irritating to eyes and skin.
- Contact with acids liberates toxic gas.
- In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
- Wear suitable protective clothing, gloves and eye / face protection.
- Do not mix with other cleaning products.
- Keep away from animals, pets and plants.
- **KEEP OUT OF THE REACH OF CHILDREN**  
Please refer to the Material Safety Data Sheet.

## TECHNICAL SUPPORT

For technical information on the product please visit our website: [www.protectitsp.co.uk](http://www.protectitsp.co.uk)

**Important:** The content of this documentation is based on our experience of the product. We expressly decline any liability in the event of failure by the user to comply with the recommendations and conditions of said products, notably but not exclusively in the event of incorrect application by an unqualified person(s) or use of products not compatible with this product(s) or unsuitable weather conditions. For Further information refer to the safety data sheet. Formal clarification on all matters relating to application and suitability for use of the product(s) should be sought from us prior ordering
